The Venetian Collection

Reuben Colley – The Venetian Collection

Venice, the capital of northern Italy's Veneto region, is built on more than 100 small islands in a lagoon in the Adriatic Sea and is a city unlike any other. With canals where streets should be, water shimmers everywhere.

The fabulous palaces and churches reflect centuries of history in what was a wealthy trading centre between Europe and the Orient. Getting lost in the narrow alleyways is a quintessential part of exploring Venice.

In this new series of paintings Reuben Colley has perfectly captured the atmosphere of this unique location.

The Venetian Collection is presented in hand finished and gilded frames by [Gale and Co. Ltd.](#)
